KAPPA HISTORY

1916

THE ORIGINS

Thanks to the machinery for cotton weaving, given by customers as a sort of debt repayment, the company named « Calzificio Torinese » started the production of socks.

1956

AN ERROR CREATES THE BRAND

Customers return a stock of socks due to a manufacturing error. Intending to guarantee the product new credibility, the Vitale family label the new production with the monogram « K-Kontrol », to indicate the maximum qualitative rigour according to German standards.

1969

THE WINING LOGO

During a photo shooting for a Beatrix swimsuit catalogue, in a backlighting shot of silhouette of a boy and girl sitting back to back, Maurizio Vitale spots the image destined to become Robe di Kappa's crisp, neat logo.

1979

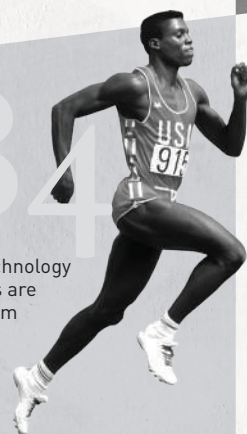

SPORT SPONSORSHIP

A strategy that takes Maglificio's expansion towards international targets. Maurizio Vitale is the first in Italy to sponsor a football team, fully aware of the importance this sport has for the masses.

1984

THE LOS ANGELES OLYMPICS

During the Los Angeles Olympics, technology and design triumph. The Official suits are designed with the advice of a man from Nasa, doctor Kuznetz, who, inspired by space suits, designs the suits in silver to reflect light and to keep the athlete's body cooler.

2020

TODAY

The brand is recognized as one of the leading manufacturers of the most innovative sports equipment on the collective sports market and provides high performance technical equipment. Major player in rugby (Montpellier Hérault Rugby, Stade Français Paris, Castres Olympique, Aviron Bayonnais...), Kappa is also very present in European football (SSC Napoli, Real Betis Séville, AS Monaco, Angers SCO,...) but also in handball, basketball and volleyball.

1999

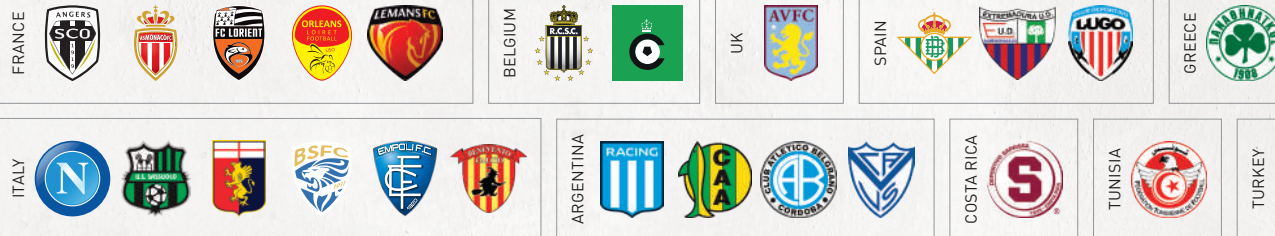

AN OLD DREAM IS REALISED

15th January 1999, Basicnet wins the contest for the technical sponsorship of the FIGC - The Italian Football Federation. Kappa signs a four-year contract to supply the national team with its own technical material. From this partnership will be born the first jersey molding in football with its technology KOMBAT.
